ABOUT: DayGLOW, Inc., a 501(c) 3 non-profit, consisting of *DayGlow Music* and *DayGlow Relief Programs*, was founded by Daniel de los Reyes. Danny, a world renowned and Grammy award winning percussionist, cultivated his life immersed in a family full of musical talents. He has spent his career performing with top artists such as Don Henley, Earth Wind & Fire, Peter Frampton, Sting, Stevie Nicks, Chicago and Yanni, to name a few, and is now periodically touring with Chicago and is a member of the Zac Brown Band.

Danny's passionate vision and mission is to provide youth with music based training, especially percussion, and life-enrichment programs for character-building and values. Programs target students who may not otherwise have the opportunity to participate in enriched music programs. Programs are offered at the DayGLOW Music School or partnering with other organizations, such as schools, community centers and other non-profits, to name a few. The DayGlow Music School Center for Education is located in Fayetteville, GA. With just over 5 acres of natural property, Danny has cultivated Rhythm Trails that Unite Music and Nature.

DayGlow Music has partnered with various organizations to deliver music outreach programs, over the past several years, such as Montessori schools, Clearwater Academy and other non-profit events. DayGLOW Music is in the process of developing a music program for inter-city youth working with the Rock 'n Roll Hall of Fame museum. www.dayglowmusic.org

DayGlow, Inc., added the *DayGlow Relief Program* to provide music and essential supplies to people affected by natural disasters through "Hope & Healing". In 2017, *DayGlow Relief* supported survivors of Hurricane Harvey, Hurricane Irma and Hurricane Maria. In 2018, our continued support is focused in Puerto Rico for Hurricane Maria survivors and we will continue this support indefinitely. www.dayglowrelief.org
